An Examiner's Amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 C.F.R. § 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the Issue Fee.

EXAMINER'S AMENDMENT

In The Drawings

Note attached copies of the drawings corrected in red.

REASONS FOR ALLOWANCE

The claimed invention of a static VAR compensator connection method is found to be allowable over the prior art since a static VAR compensator connection method comprising the steps of successively connecting a plurality of parallel compensation components by a control unit to an operating voltage via a series resistor and to the operating voltage without the series resistor, wherein an active component with at least one controllable reactive power element is used as a compensation component first connected to the operating voltage via the series resistor was not found to be singularly or collectively taught by the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably accompany the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jeffrey L. Sterrett whose telephone number is (571)
